Re: Docket No. SW-3898A-000474

Dear Sir or Madam:

Rancho Cabrillo Water Company (the "Company" or the "Applicant") filed an application for a new water Certificate of Convenience and Necessity on June 26, 2000. That application was deemed sufficient by Staff and was docketed No. SW-3898A-000474. On October 16, 2000, the Applicant was notified that the area was already certificated, and the Company filed a request to withdraw the application, and the docket was closed. The Company has since learned that the area is not certificated, and requests that the docket be re-opened. The Company also requests that the time clock be resumed with an extension that equals the number of days between when the docket was closed and when it is re-opened.

Thank you for your consideration in this matter.

An original and ten (10) copies submitted.

Sincerely,

Steve Robson
